It is best to pre-register any horticulture that you THINK might be ready for exhibit at the end of February. There is still plenty of time to register. If that gorgeous camellia or your "Ice Follies" daffodil **might** be in bloom, send in a pre-registration form. Forms are available at meetings, at Hillcrest Hall, by e-mailing Mary and on the back of this flyer. The forms printed in the schedule are incomplete. Genus and species must be included in you registration.

**Exhibit Cards**: When you bring your horticulture for entry on Thursday, February 25th, each of your specimens must have an exhibit card filled out and ready to attach to your exhibit. Cards are available at Hillcrest Hall or by contacting Mary Latendresse, Karin Briscoe or Jo Krallman. These cards may be filled out prior to arrival at the show or you may fill them out when you arrive. There will be a table set up especially for that purpose near the entry table. If you need help with filling out these cards call (501-868-3032) or e-mail Mary. An example entry card is shown on page 26 of the 2010 ARFGS schedule entitled "*Capture the Magic".*
